### **How Does Disney PhotoPass Service Work?**

Get a Disney PhotoPass Card - with your unique code - from any Disney PhotoPass Photographer. Sign into your account online and follow the instructions to view your photos, upload a few of your own and use Disney borders and graphics to customize your images.

### **Finding Photographers**

Disney PhotoPass Photographers are conveniently located in Disneyland Park and Disney California Adventure Park. Look for them at the park entrances, main icons and at the majority of Disney Character meet and greet locations, like the new Fantasy Faire.

### **Disney PhotoPass+**

Plan ahead and [order Disney PhotoPass before you arrive](#) at the Disneyland Resort and capture even more memories.

For one price, Disney PhotoPass+ gives you access to the high-resolution digital files of photos taken 14 days prior to and including the date indicated on the Disney PhotoPass+ card. You can also order a PhotoCD with your high resolution photos.

### **Included with Disney PhotoPass+**

- Disney PhotoPass photos
- Select Attraction Photos
- Dining photos from participating locations
- Limited license agreement that allows you to print photos at any local photo processing center
- A Disney's PhotoCD with all your vacation memories

### **How to Purchase Disney PhotoPass+**

- Disney PhotoPass+ is sold at PhotoPass Sales Centers located throughout Disneyland Resort.
- Purchase the Disney PhotoPass+ Pre-Arrival offer online if you are at least 14 days away from arriving for your vacation (to allow for processing and delivery time).

### **Magic Shots**

Have Disney Characters added to your photos! Simply ask a Disney PhotoPass Photographer to set up the poses to easily include your favorite Characters in a Magic Shot.
